## A LETTER FROM OUR CEO

Dear Friends,

It has been a momentous year for our organization and the children in our care. Not only did we serve a record number of children since our inception and implement two new and powerful awareness campaigns; we also proudly celebrated a *Decade of Difference* serving our Community's Trafficked Children and were awarded a Proclamation in January by the Hillsborough County Board of County Commissioners declaring January Human Trafficking Awareness Month.

To me, this Proclamation is a symbol of recognition – one that this Cause and those impacted are deeply deserving of. It is also a symbol of commitment, commitment to freedom of our children more specifically.

The Emancipation Proclamation was drafted over 150 years ago and it mandated liberty. With this Proclamation, Hillsborough County and the City of Tampa did the same. This symbolizes our collective recognition of this Human Rights issue, and our commitment to those impacted. It is also our way of communicating that the trafficking of children and young adults in this city will not be tolerated. Not now. Not ever.

We continue to be grateful to the Survivors who lead and guide our efforts with their lived experience and incredible resiliency, and there are truly no words to describe how much we continue to learn from the children that we serve regarding how to best meet their needs. We no longer subscribe to the adage of 'giving a voice to the voiceless' because our children certainly have voices! It is simply our job to listen and give them a platform on which to be heard.

I am beyond touched and honored to have been able to serve our Community in this way for the past decade alongside each of you. The love, support and grace you've shown us is unprecedented, and we are enormously appreciative of your unrelenting faith in our Mission.

We look forward to amplifying our efforts and are hopeful for a future where Trafficking of our children no longer exists. Until then, we will continue to ***Restore Hope, Empowering Individuals and Defend Innocence.***

Thank you for being *All Hands on Deck* with us to eradicate Human Trafficking!
