A LETTER FROM OUR BOARD PRESIDENT

Tampa Community,

I first learned about Redefining Refuge in the Fall of 2019, when asked to help with the program and live auction aspect of the annual *Bubbles and Butterflies Gala*. After living in Tampa nearly 13 years, I was entirely unaware of the existence and prevalence of child trafficking in my own 'backyard'.

Like so many others who first learn about this issue, I was appalled, overwhelmed, and went through a cycle of disbelief, denial, and anger. While I attempted to 'move on' with my life, the facts and stories consumed and disrupted my thinking - especially as a Mother. I simply could not just walk away from this Cause, this organization, or the children of Tampa impacted by this issue.

While I lack expertise in the care and case management of our kids, I continued to look for opportunities to support Natasha in her efforts, educate our community on this topic, and raise funding to continue this Cause. I was thrilled when Natasha approached me about serving on her Board of Directors and look forward to continuing efforts to educate and involve our Tampa Community in this fight.

The past year proved to be one of great success but equally great challenge. We were honored to serve a record number of children throughout the year, and continued to build awareness locally, connecting with new attendees from our Annual Gala and our "*All Hands on Deck*" Awareness Campaign.

The year was not without its' challenges, as the number of reported cases continues to increase, and the creativity and manipulation of traffickers continues to evolve. Cost increases and resource constraints that impact most businesses present similar challenge for non-profits like Redefining Refuge.

The support and involvement from our community is critical to continuing the impact for our children. I'm proud to be part of this organization and excited about the impact Redefining Refuge will continue to make with your help.
